To the Presbytery of East Tennessee meeting at Beaver Creek October 7, 2006

The Board of Camp John Speer met at Mohawk Church May 11, 2006. Camp Work Day on April 8 report was that despite a rainy day new ladders and railings for the bunk beds were put in place and some of them painted.

A committee was appointed to select the place for the chapel to be located. Three different areas were marked with flags for members to check out and definite decision made during Junior Camp. Although six members came, it was at various times so there was no formal meeting.

There were 14 Junior campers. Pastors from the Pleasant Vale, Greeneville and Oakland Churches were involved in directing worship. We commend Jimmy Peyton, pastor of Cedar Hill Church for the great job of directing this camp, aided by Abby Cole-Keller and others. The campers enjoyed the fellowship with Steve and Esther Kim from South Korea and saw a film of their work. Two campers made a decision to become Christians.

The Greeneville C. P. Church youth, under the direction of Melissa Malinoski, cleared the area across the road and built a fence to match the one they built last year fronting the camp and also built two benches. On the last night of Junior Camp the brush and debris this group cleared made a huge campfire for the campers enjoyment.

A group from the Lebanon Church finished painting the bunk bed railings and cut down three standing dead trees around Manos Hall.

We are grateful to these two groups and to Dennis Elwell, the caretaker, for his help with the projects, for applying water preservative to the step railing up the hill to Shelton Hall and the regular maintenance.

We are thankful for suggestions, monetary gifts, the aid from Presbytery and for those who make use of your camp and promote it.

REPORT
Coordinating Committee

To: The Presbytery of East Tennessee in session with the Beaver Creek Church,
October 7, 2006

The Coordinating Committee is made up of the chair of each of the Boards/agencies of this presbytery. Each Board/Agency is responsible for the travel expense of their representative to the Coordinating Committee meeting.

The Coordinating Committee met August 31, 2006 to review reports for this meeting of Presbytery. These reports were reviewed; there seems to be nothing about which this committee needs to alert the presbytery.

The Committee requested Dr. J. David Hester, Chair of the Denominational Center Task Force, to show the Center DVD at this meeting of Presbytery.

The Rules of Discipline which were passed by the 2006 General Assembly are before us to vote on. Each Presbytery must vote on these before they are made final.

Name Tags for each participant at Presbytery will again be made available through the efforts of Rev. Tammy Greene.

It was noted that the Presbyterian Council for Media (formerly PABC) and the Coalition of Appalachian Ministry should report to the presbytery through the Presbytery Committee on Theology and Social Concerns.

Howard Shipley was elected chair of this committee for the coming period.

Thank you to the churches who have adopted cabins for maintenance. There are still two cabins available for adoption.

Our endowment fund has grown since our last report to Presbytery. Anyone wishing to contribute funds to Camp Chilhowee, please send them to our treasurer, Rev. Randall Mayfield, 11402 Hardin Valley Road, Knoxville, Tn 37932.

REPORT OF
THE PERSONNEL COMMITTEE

To the Presbytery of East Tennessee meeting in session at Beaver Creek Cumberland Presbyterian Church, Knoxville, TN; October 7, 2006

Your committee has met twice since it's last report to presbytery to review the work of the Stated Clerk/Coordinator/Pastor, Planned Giving Coordinator, and the Presbyterial Treasurer. We submit the following report:

STATED CLERK/COORDINATOR/PASTOR

Dr. J. David Hester, Stated Clerk/Coordinator/Pastor has submitted a detailed report of his activities at both meetings and we are pleased to report that he continues to do an outstanding job for our presbytery. In light of the heavy work load that Dr. Hester has had since assuming the responsibilities as chairman of the General Assembly's Capital Gifts Campaign, we commend Dr. Hester for continuing to commit himself beyond the call of duty to his responsibilities as our presbyterial Stated Clerk/Coordinator/Pastor. We as a committee appreciate the sacrifices that he has made for our presbytery.

PLANNED GIVING COORDINATOR

Carolyn Harmon our Planned Giving Coordinator has submitted a detailed report of her activities at both meetings and we are pleased that she continues to meet our expectations for this position. We have noted that several churches have not availed themselves of the opportunity to have a planned giving presentation at their church. We would encourage that senior adult groups and or C.P.W.M. groups consider inviting our Planned Giving Coordinator to make presentations to their groups.

Recommendation 1:

We recommend that our Planned Giving Coordinator make a planned giving presentation at the Spring 2007 meeting of presbytery.

PRESBYTERIAL TREASURER

This was the first time that our committee has had the responsibility to review the work of our Presbyterial Treasurer, Carolyn Harmon. We are pleased with her work as our treasurer and strongly encourage the treasurer's of each of our churches to send their apportionment's and insurance premiums to Carolyn by the end of each month. This makes it much easier for her to make our presbyterial financial commitments on time.

Report as a 2006 General Assembly Commissioner

I would like to thank the presbytery for sending me as a delegate to the 2006 General Assembly. As usual, it proved to be a very interesting and educational experience. As you probably know, one of our own members, Don Hubbard, was elected as moderator.

We met in conjunction with the Presbyterian Church, USA and the Cumberland Presbyterian Church in America. We had some great worship experiences. One comment that I heard from a Presbyterian was, "Any time you can get Presbyterians to stand up and clap their hands to the music, then something is certainly happening." This commented stemmed from the music presented by Renaissance, from Bethel College. I was impressed with inclusive nature of the worship services. I was reminded of how truly worldwide we are as a denomination.

I served on the Memphis Theological Seminary/Historical Foundation Committee. Serving on this committee with someone from another country also reminded me of our worldwide nature. In the committee we were challenged to think about things from a different cultural perspective. We had a lengthy discussion about the need for more Cumberland Presbyterian teachers at the seminary. It was recommended that plans be made to recruit and financially support Cumberland Presbyterians who are pursuing teaching degrees. Another big issue was the new denominational center and the "I Love My Church" campaign.

Thanks again for sending me to General Assembly.

REPORT OF COMMISSIONER TO GENERAL ASSEMBLY

To: The Presbytery of East Tennessee

I am grateful for the opportunity to have served as a Commissioner from the Presbytery of East Tennessee to the 2006 General Assembly. I served on the Committee of Christian Education and Stewardship.

This was a historic Assembly in that the three assemblies of the Presbyterian Church USA, The Cumberland Presbyterian Church in America, and the Cumberland Presbyterian Church met concurrently in Birmingham. All three denominations shared in very meaningful joint worship services during the assembly.

I also express appreciation to Presbytery for nominating me as Moderator. Having been elected Moderator, I shall attempt to serve in that capacity to the best of my ability.

Respectfully Submitted,

Don Hubbard

REPORTS OF COMMISSIONERS TO GENERAL ASSEBMLY

To Presbytery of East Tennessee:

I thank you for the opportunity and privilege to represent the Presbytery of East Tennessee as Elder Commissioner to the 176th General Assembly in Birmingham, Alabama during the week of June 18-22, 2006.

I served on the Theology and Social Concerns Committee. I attended all sessions of the committee and voted on the one issue that the committee was charged to consider.

During the week I experienced excellent and very meaningful worship services, including the sermons and music.

Again, I thank the Presbytery for the privilege of being an Elder Commissioner to the Assembly.

-Yours in Christ, Robert A. Leach

To Presbytery of East Tennessee:

It was my distinct pleasure and honor at being selected as a delegate to the 176th General Assembly meeting in Birmingham. I really wasn't sure what to expect, but was pleasantly surprised and blessed by the experience. I was unable to attend one of the orientation sessions but with help from Betty Collins I was reasonably prepared.

I served on the Missions/Ministry/Chaplains Committee and feel that I was able to contribute to the work. I authored one of the Committee Recommendations after much discussion in the committee meetings. I was also privileged and humbled to be selected to offer a prayer at our final General Assembly meeting for the work and ministry of all Cumberland Presbyterian missionaries, chaplains, and clergy and their families.

The worship services were awesome. I've been studying a book by Randy Alcorn entitled "Heaven" in which, among many other things, he describes what he believes that worship will be like in Heaven. I couldn't help thinking about his descriptions during each of the combined worship services, especially the opening service on Sunday evening. It was a real delight to be in the company of so many dedicated and enthusiastic believers.

Again I wish to express my thanks to the Presbytery of East Tennessee for the opportunity to represent our presbytery at this historic meeting.

In the Lord's service, Larry G. Byars

REPORT NUMBER TWO OF
THE COMMITTEE ON THE MINISTRY
To the Presbytery of East Tennessee meeting in session at
Beaver Creek Cumberland Presbyterian Church
October 7, 2006

1. The committee has been working with Jeff Wood, an ordained minister of the Christian Church who is seeking recognition of his ordination in the Cumberland Presbyterian Church. Jeff and his wife Georgeann are active at Marietta Cumberland Presbyterian Church, and Georgeann is a member there. Jeff received both BA and Masters degrees from Johnson Bible College, and was ordained by Woodlawn Christian Church (non-denominational). He served for a brief time in the Christian Church, but has been active in the Cumberland Presbyterian Church for several years, and has had several opportunities to preach.

Having received documentation of Jeff's education and ordination, and in keeping with the process of recognition of Ordination as laid out in the ***Constitution 6.40***, the committee has instructed Jeff regarding the educational requirements specific to the Cumberland Presbyterian Church. Jeff has been working with Dr. Tom Campbell to get the necessary classes through the Program of Alternate Studies.

Upon Jeff's satisfactory completion of the required courses, the committee will make appropriate recommendations regarding the recognition of his ordination.

2. The committee has received a letter from the session of the First Cumberland Presbyterian Church of Korea in Seoul, Korea, recommending Justin Choi for consideration as a candidate for the ministry. Justin graduated from Gardner College in Camrose, Alberta, Canada, with a Bachelor of Theology degree, majoring in pastoral ministry. He is currently a full-time student in his first semester at Memphis Theological Seminary. In addition to attending seminary, Justin works as a volunteer with the Cumberland Presbyterian Korean Church in Memphis. The committee has examined Justin regarding his call to the ministry.

Recommendation: That upon satisfactory examination by presbytery, Justin Choi be received as a candidate for the ministry.

Respectfully submitted,

The Committee on the Ministry

REPORT OF THE BOARD OF MISSIONS

To The Presbytery of East Tennessee meeting with the
Beaver Creek C. P. Church, October 7, 2006.

The Board of Missions has met in caring out its task.

Since the last meeting of Presbytery the Faith Fellowship Church was organized; the Casa de Fe Church in the Boston area of MA. was organized; and the Korean Church of South Korean was organized.

In our most recent Board of Missions meeting, we had appearing before us Mr. Jim Greene and Mr. Dave Garner members of the Task Force in support of the Hispanic work in Lenoir City. From that meeting we the Board make the following recommendation:

Recommendation: 1. That the Presbytery of East Tennessee remove the designation of New Church Development from the Mercy Mission and designate that program as a mission of the Presbytery.

In support of that recommendation, the Board of Missions recommends that the Presbytery approve the Mission Plan that outlines the methods that are to be used to carry out the mission. A copy of the plan is available for your inspection.

In order to make this mission work, we as a presbytery must increase our financial support to the program. It is suggested that the churches of the presbytery along with Sunday School Classes consider this mission in their monthly second mile gifts. Approximately $2000 a month is needed above the presbyterial assigned amount.

Contributions can be sent to "Mercy Hispanic" Union Cumberland Presbyterian Church, 400 Everett Road, Knoxville, TN. 37922.

Respectfully Submitted,
Board of Missions

Mercy NCD Mission, Lenoir City, TN
A Mission Project of the
Presbytery of East Tennessee

Mission Plan

Mission Statement

The mission of Mercy Mission is to…

- Advance the cause of Jesus Christ in Lenoir City and the surrounding area.
- Assist in the successful assimilation of Hispanic immigrants into American culture in general and Loudon County in particular.
- Assist other organizations and denominations to minister to local Hispanics.
- To facilitate members and others to individually to become witnesses of Jesus Christ and provide opportunities for them to "go ye therefore into the world"
  (i.e. Recent Hurricane Katrina Relief and Mission Trip into Mexico)

Ministry Methods

Some Hispanics naturally seek out a Spanish-speaking Christian Church, many however come only after making their acquaintance from one of the *Mission Methods* below. The Ministry and Evangelistic opportunities include, Sunday Worship, Sunday School, mid-week fellowship, Bible Study, family and marital counseling, as well as many home study and home church meetings and events. The Ministry Method is to *feed the sheep first.*

Mission Methods

Poverty is the plight of many immigrants to the United States and in fact, it is primarily the pursuit of better employment that brings Hispanics to East Tennessee. Assisting individuals to learn the language and obtain better education has proven to be an effective witnessing tool while building a stronger community. The Mission Methods are how we feed the sheep.

Mission Methods include:

- Assistance with legal Immigration and Naturalization processes and procedures.
- Assist non-English speaking individuals with non-Spanish speaking doctors, hospital and other social services.
- Assist other organizations as they minister to the local Hispanic community. Currently those include the Good Samaritan Chapter in Loudon County and the Boys and Girls Club of Lenoir City.
- Teaching English as a Second Language (ESL)
- Teaching classes leading to taking the Graduate Equivalent Degree (GED)
- Assisting those interested in pursuing a college education.
- Working with community leaders to procure employment opportunities.

While it is a lofty goal for the Mercy mission to be a self-supporting church, it is improbable that will happen anytime soon. At the same time, the accomplishments are too great to leave the church and it's mission to flounder. Yet, there still needs to be quantifiable goals that will measure success or opportunity.

Mission Goals

Maintain the following current levels of performance over the next three years:

- Minister to 65-75 persons per week in organized church and home activities while increasing weekly giving.
- Teach ESL to 40-45 persons per week.
- Teach and prepare candidates for the GED certificate exam.
- Continue the development of a CP Hispanic Congregation which reflects positive numerical growth in both attendance and giving.

Duration of this New Mission Plan

The mission plan is for three years. Duration will be from January 2007 until the end of December 2009. It will be under the supervision of the *task force* who will make reports to Presbytery and any others who request reports on progress of the mission or any of it's community activities. Though continually monitored, after three years, the mission plan may be modified or extended. The nature of this ministry is evangelistic with a strong emphasis on community service. The challenges of the Hispanic community will not go away during the next three years, however there may be need to make adjustments and clarify new directions in the future. Approval of a three year plan allows for a responsible evaluation of Mercy Mission's activities and the opportunity to make any major adjustments.

Further Considerations

While the PCUSA does provide a location to hold worship services, ESL and GED classes and the Boys and Girls Club does provide computers for the ESL training, and incidental financial gifts are received from the community, the oversight of Mercy Mission should continue under the guidance of the Hispanic Task Force being made up of pastors and members of churches in the Presbytery of East Tennessee and not members from the community at large. Further, the task force and pastor/program coordinator will continue to seek financial assistances from new sources.

Budgetary Goals and Expectations

This mission design contemplates a part time CP Spanish speaker as the pastor and program coordinator. The primary expense will be the employment of this mission pastor/program coordinator. Other expenses to include a significant share of the utilities at the host church, in lieu of rent, some church maintenance and supplies as well as church program.

The mission plan would involve continued subsidy from the Presbytery of East Tennessee. The support would be from January 2007 until the end of 2009 (three years). At this point the mission design will again be evaluated and may be extended. Once this mission plan is approved by the PoET the *task force* will seek additional subsidy from the GA Board of Missions, hoping they would partner with the Presbytery in this mission design.

In addition to Presbytery financial support, the Presbytery would delegate the task force the liberty to promote the different outreach activities among CP churches, the Presbytery and non-CP organizations.

It is anticipated that Mercy Mission will continue to grow a congregation and their giving amounts as a congregation will be used to support the mission pastor/program coordinator and other expenses.

Committee on Theology and Social Concerns

TO: The Presbytery of East Tennessee in session with the Beaver Creek Cumberland Presbyterian Church, October 7, 2006

The Committee on Theology and Social Concerns met at Talbott Church on August 19, 2006, to plan for informational seminars for the coming year. After reviewing results of a questionnaire sent to all ministers, the committee decided to host two seminars in 2007: a spring and a fall seminar. Alfonso Marquez will take the lead in planning a seminar on immigration issues to be held on March 10, 2007, from 9 a.m. - 1 p.m. at the Talbott Church. Lunch will be served at 12:30. This seminar will consist of three main parts: (1) An overview of immigration issues that affect this area, (2) Cross-cultural issues that directly affect the church, and (3) Reaching out to immigrants within our communities. Included will be a cross-cultural worship service in English and Spanish. The committee will meet again on February 10, 2007, at 10 a.m. at Talbott to finalize seminar plans and activities.

The Fall 2007 Seminar will deal with Financial Health. The exact focus is still undecided, so we welcome your ideas and suggestions. Tentatively, plans are to deal with personal finances and how to counsel our members who are in financial difficulties. We are searching for reputable persons and agencies available to help families regain stability in their finances and learn to budget and control their financial situations. We want to give ministers resources and references to pass on to families in need of financial counseling.

The committee wishes to thank the Board of Finances for the support for our activities.

A STATEMENT

To the Presbytery of East Tennessee

This is to advise you of my intent to vacate the Presbytery office of Stated Clerk/Coordinator/Pastor when my current term expires October, 2007.

I came to this office in February, 1998. 2007 will end nine plus years of service to the presbytery in this capacity.

I served as Stated Clerk/Treasurer of Knoxville Presbytery 13 years and as Stated Clerk of old Clarksville Presbytery for 3 years. This means that I have served as a Presbytery Stated Clerk for 25 years of my 56 years of ministry.

The tasks of the office still challenge me and I enjoy the work. However, my age and other responsibilities dictate that I make this move. I probably should have done this over a year ago when the General Assembly gave me the responsibility of chairing the new denominational Center Task Force.

I alert the Presbytery now so that the Personnel Committee can begin to seek a successor. If such a successor should appear before next October, I am ready to turn the office and all records over to that person.

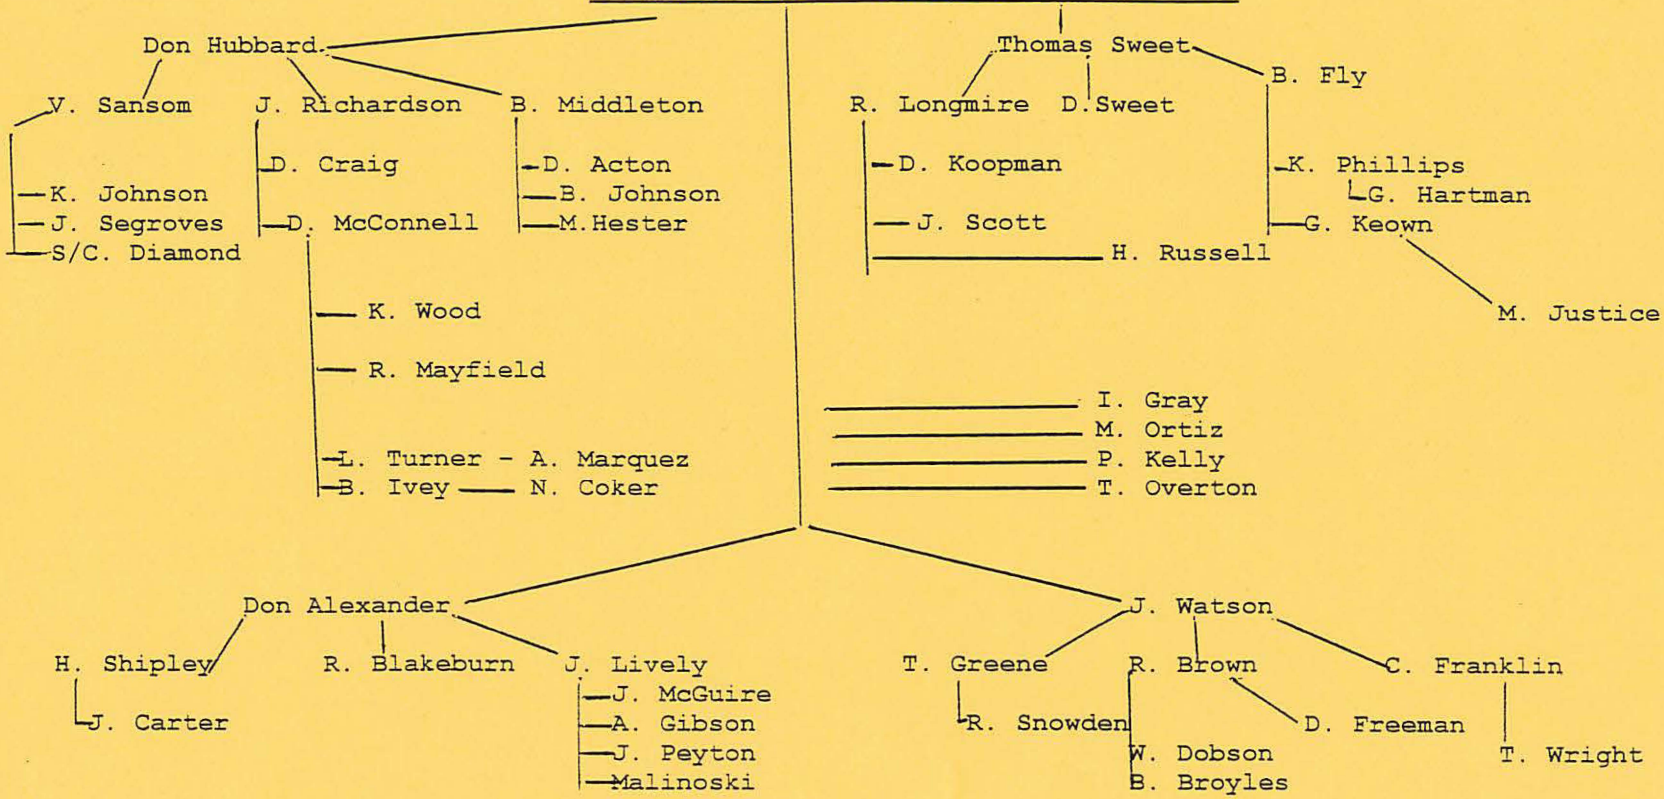

Thank you for your confidence in me and your graciousness in allowing me to serve these years in this office.
