Elder Commissioner Report
195th General Assembly of the Cumberland Presbyterian Church
Rogers, Arkansas
June 14-19, 2026

To: The Presbytery of East Tennessee
Thank you so much for providing the wonderful opportunity to represent the Presbytery of East Tennessee at our General Assembly. Attending this meeting was such a blessing—I had the opportunity to meet and work with others in our denomination who love the Lord and are working hard to further His kingdom.
THEME: "Our Stories: Living Testimonies of Faith"
"...we will tell the next generation the praiseworthy deeds of the Lord, His power, and the wonders He has done." Psalm 78:4 (NLT)
Sunday June 14, 2026
Registration opened at 3 PM and commissioners were welcomed to the meeting by the Host Committee. Sunday evening the Arkansas Presbytery hosted a Sing-A-Long led by the Reverend Jana Cowgill.
Monday, June 15, 2026
Orientation for Commissioners and Youth Advisory Delegates was completed. We heard a report on Global missions and the opening GA business session was completed with the election of the 2026 Moderator and Vice-Moderator. Committee appointments and referrals to committees were made.
The evening worship was lead by Reverend Jhony Montano, the 2025 Moderator, who is from Colombia, South America. Rev. Montano challenged us to remember who was important in our life as we were growing up—who trusted us with new opportunities and grounded us firmly in God's Word-- and reminded us that our responsibility in this life is to pass this on to the next generation. The greatest danger to God's people is not external but rather is when the church loses their identity and stops speaking the Word of God. Here are the 3 things he said we must transmit to the next generation:
1) WE WILL NOT HIDE THE WORKS OF GOD—WE MUST PROCLAIM THEM. Achurch that forgets their history loses their identity. They must know the great works of God and that the church is built upon His divine power. The Word of God must be in the pulpits of our churches. He is a God of miracles.
2) TELL OTHERS ABOUT THE GLORIOUS DEEDS OF THE LORD. we must celebrate the mighty deeds of the Lord in constant conversation—speaking of the power of the Lord must be a constant conversation, not an occasional reminder. The church's mission is to exalt Christ—we must have a clear vision of who and what God is: His holiness, His grace, His sovereignty, His love, His faithfulness, Hs unchanging Word. The center of the message must be God, not our ideas, not our thoughts, not our wishes.
3) Psalm 78:4 we will tell the next generation THE PRAISEWORTHY DEEDS OF THE LORD, HIS POWER, AND THE WONDERS HE HAS DONE." God is Sovereign—God's hand stretches out to bless His children. God doesn't worry about the things we worry about. God governs over history—He fulfills His promises. There is no obstacle that God cannot overcome.

God is infallible. God extraordinarily intervenes in the lives and history of His people. Because of God's grace we are His children—we are not His because of what we do or have. To think it is anything
but grace illuminates the sin of pride and arrogance on our part. God is in control so we do not need to fear the future. We just need to remain faithful despite what is happening around us.
Tuesday, June 16, 2026
General Assembly Committee Meetings were in session throughout the day. I had the opportunity to serve on the Judiciary Committee. A Lunch and Learn was hosted by Our United Outreach—their goals and activities were shared with our group. A reception honoring women in ministry was held in the evening.
Items addressed by the Committee on Judiciary included:
Report of the Permanent Committee on Judiciary
Report of the Joint Committee on Amendments
Report of the Trademark Committee
Report of the Permanent Judiciary Committee Review Committee
Wednesday, June 17, 2026
General Assembly Committee Meetings were in session throughout the day concluding by the end of the day. Memphis Theological Seminary/Program of Alternate Studies provided the luncheon and program.
Thursday, June 18, 2026
General Assembly Business was conducted throughout the day until all items were covered.
It was a very fulfilling week of work. I was very impressed by the Youth Advisory Delegates that were on the Judiciary Committee. They participated in in the work, knew more about Roberts Rules of Orders than the adults and sought to follow God's Word in the suggestions they made. Since our goal for the next year is to work together to prepare the next generation to accept leadership roles in our denomination, I would like to suggest that we seek and train a youth to participate in the next General Assembly.
Thank you again for the opportunity to participate in the General Assembly.
Respectfully Submitted,
Jean Woolsey

GA Commissioner Report

I appreciated the opportunity to serve as a commissioner to the Cumberland Presbyterian General Assembly, my seventh such time to do so. Thank you to the Nominating Committee for giving me that opportunity.

My daughter Dr. Kelly Shanton drove me to Memphis on the Friday before the start of the Assembly that was to convene in R ogers, Arkansas, on Monday. I spent the night at another dauughterl s house in Memphis. Saturday would be the day for traveling to Rogers, with my wife's sister as the driver. She has relatives in that area. However, during the night I experienced health complications, and on Saturday Kelly and I started to return to Memphis.

I called the hotel in Rogers to cancel. At that late date, they would have to charge for the first night. Upon returning to Powell I communicated with Treasurer Daryl Shepard, who had forwarded $2500 to me for the meeting.

Mileage and one meal, plus the one night room charge were subtracted from the $2500 and I went a check to Daryl for $2,232.08.

Our meal was at the Cracker Barrel in Cookeville on our trip to Memphis that Friday. While we were moderate in our meal there, one special and luxurious item was a part of our meal and is the only questionable expense: Fried Dill Pickles. There is no excuse for our ordering the fried dill pickles and the Presbytery should not have to pay for them. This would-be commissioner got carried away, lost control, and ordered them on a whim, completely laying aside all reason and every bit of Christian stewardship learned from my youth. The fried dill pickles can be taken care of in monthly installments, if that meets the approval of the Presbytery.

From: Jerry Scott
9.2.2026

Thank you for allowing me to be one of the minister delegates to General Assembly in Rogers, Arkansas from June 14-19,2026. I served on both the Credential Committee and the Judiciary Committee.

As always, we had some wonderful worship services. I am sad to say that several of the last few General Assemblies have been very adversarial. My then 1 6-year-old grandson previously said, "Gramps, do these people hate each other?" I am DELIGHTED to report that this year things were much more civil. There were still heated debates, but people still treated one another with respect and did not act like they "hated each other." I was extremely impressed with some of the youth advisory delegates (YAD). One YAD on the Judiciary Committee was very familiar with Robert's Rules of Order and instructed the committee on how rules could be inferred from one situation to the specific one we were called to address. Other YADs voiced opinions on various issues with great insight. While being a YAD is supposed to be a learning experience for the youth in our denomination, they have add a tremendous amount of wisdom and insight to the meetings even now. I urge our presbytery to be diligent in sending youth advisory delegates. This is a great opportunity for the youth to see how the GA operates, but it could also be adding their skills and abilities to our denomination.

One of the most exciting things that happened at GA is the formation of a synod in Colombia. Our mission fields seem to still be doing very well. The delegates from non- USA countries are becoming more active and vocal in GA. Also plans for terminating the ministry of the semina ry were revea led.

Thanks again for sending me as a delegate.

A. Update: The Board of Missions has met twice since the April 2026 meeting of Presbytery. The first meeting was held by Zoom on August 11 , 2026, and a second called meeting was held on August 22, 2026. The Board has continued to address concerns within congregations throughout the presbytery while also giving increased attention to the Board's broader mission mandate.
The Board seeks to remain in regular correspondence with the congregations of the Presbytery, and we remind church sessions, session clerks, and session moderators to be in communication with a member of the Board if and when you should need our assistance.
The Board has also continued its work with the congregational questionnaires that were distributed earlier this year. As of the August 22 meeting, nine congregations had submitted questionnaires. A subcommittee will review the responses and report to the Board.

B. Beaver Creek: Patrick Wilkerson has been serving as pastor of Beaver Creek since mid-June. His call was approved at the May 31 , 2026 called meeting of Presbytery, and his installation service was held on August 23 , 2026. The Board received a report that attendance at Beaver Creek is gradually recovering and that the congregation appears to be more stable than it was six months ago. No further action is recommended at this time.

C. Cedar Hill: The Board received a request from the Cedar Hill congregation to dissolve the pastoral relationship with Rev. Kevin Wood, effective September 29, 2026. Rev. Wood had previously received Presbytery approval for installation but was never installed because of health concerns.
RECOMMENDATION 1: That the pastoral relationship between Cedar Hill Cumberland Presbyterian Church and Rev. Kevin Wood be dissolved, effective September 29, 2026 and dissolve the Commission to install.

D. Dover: Rev. Jerry Scott has retired from Dover Cumberland Presbyterian Church. The congregation continues to search for its next pastor.
RECOMMENDATION 2: That the pastoral relationship between Dover Cumberland Presbyterian Church and Rev. Jerry Scott be dissolved.

E. Marietta: Rev. Randall Mayfield has announced his retirement from Marietta Cumberland Presbyterian Church, effective September 30, 2026. The Board has also received correspondence from the church that Rev. Robert Watkins has been called as Interim Pastor, effective October 1 , 2026.

RECOMMENDATION 4: That Rev. Watkins be approved as Interim Pastor at Marietta Cumberland Presbyterian Church effective October, 2026.

F. New Hope: The Board has spent considerable time addressing a complaint and other concerns within the New Hope congregation. Following an investigation, the Board submitted its findings to the Disciplinary Commission for review and consideration of disciplinary action. The Board's role will now shift toward providing pastoral support to the congregation. Vernon Sansom will lead an elder-training session at New Hope to assist the session in understanding Presbyterian polity and its authority. The Board has also requested that Moderator Ken Johnson provide regular progress reports regarding the congregation.
The New Hope congregation has called John Michael Colvin as stated supply, and he has been filling the pulpit since July. The Board understands that Mr. Colvin is willing to meet with the appropriate denominational committee and submit to a background check as required by process.

G. Mission Projects Fund: The Board has begun renewed discussion of its broader mission mandate and the need for the Presbytery to support mission work both locally and beyond the bounds of the presbytery. As part of this effort, the Board approved the creation of a Mission Projects Fund through which congregations may apply for support for specific mission projects. This fund is included in the Board of Finance's 2027 Budget Proposal.
RECOMMENDATION 5: That the Presbytery of East Tennessee approve a Mission Projects Fund of $10,000, to be administered by the Board of Missions, with funds to be drawn from presbyterial reserves/savings rather than from apportionments.
Congregations wishing to apply for mission-project funding should submit applications by December 31 , 2026. The mission subcommittee will review applications for consistency with the purpose of the fund, and approved applications will be considered by the full Board at its February 2027 meeting.

H. Emergency Fund: The Board also discussed the need for a discretionary fund that could be used in response to unplanned natural or catastrophic disasters within presbyterial or denominational bounds. This fund is included in the Board of Finance's 2027 Budget Proposal.
RECOMMENDATION 6: That the Presbytery of East Tennessee approve an Emergency Fund of $5 ,000, to be administered by the Board of Missions and funded from presbyterial reserves/savings, for use in responding to natural and/or catastrophic disasters within presbyterial or denominational bounds, with specific uses to be determined by the Board of Missions.

I. Other: The Board discussed several other matters involving congregations throughout the presbytery. Greenville Cumberland Presbyterian Church is seeking to hire a full-time Associate Pastor of Congregational Life.
The Board also continues to encourage congregations to remain in communication with the Board when assistance is needed. We are grateful for the opportunity to serve the congregations of the Presbytery of East Tennessee and remain committed to both the care of our congregations and the renewal of our mission work.

Report #2

Report #1 of the Board of Missions shared a summary of the Board's intervention in a dispute at the New Hope church. There, it was reported that the Board had referred the New Hope situation to the presbytery's Disciplinary Commission. While that reporting was accurate, a review of the Rules of Discipline of the Cumberland Presbyterian Church revealed that the referral to the Disciplinary Commission was out of order.

Rules of Discipline 3.300 "Specific Procedures for Elders and Deacons" makes explicit that the discipline of an officer of a local congregation is to be treated under Rules of Discipline 3.200 "Disciplinary Hearings Before Sessions". That section of the Rules makes it clear that the discipline of persons who are not ordained ministers is the responsibility of the Session of the local congregation, not of the Presbytery. We have consulted with the Office of the General Assembly, which has clarified that the Presbytery's Disciplinary Commission only has jurisdiction over ministers.

As such, the decision to refer the New Hope issue to the Disciplinary Commission was out of order, and the Disciplinary Commission's subsequent act of discipline was likewise out of order. This item will now be referred back to the New Hope Session. The Board of Missions remains committed to providing the New Hope Session with counsel as it considers next steps.

Report of the Board of Finance

To the Presbytery of East Tennessee meeting with the
Marietta Cumberland Presbyterian Church
October 3rd, 2026

The Board of Finance met at Talbott CPC on August 25th to work on the 2027 Budget and to discuss other business.

The Board of Finance was deeply saddened to learn of the passing of Board Member Arte Wehenkel on August 6th, 2026. The Board noted Arte's dedication and service on the Board of Finance since 2023. Please keep Arte's family in your thoughts and prayers.

Presbyterial Treasurer Darryl Shepard informed the Board that a check written to Memphis Theology Seminary for $5,255.00 on 7-13-26 was mailed from the outside drop box at the Powell Branch Post Office. Darryl noticed this check cleared the First Horizon Bank on 7-20-26. On 7-21-26, Darryl noticed two more checks had cleared the bank for the same amount but with different check numbers. Darryl looked up the details on all three checks and noticed the original check was made out to an individual with a Memphis address, the second one to the same individual, and the third was made out to an individual in Jackson, TN. Darryl's signature had been forged on all three checks. First Horizon Bank was contacted and the amounts for the last two checks have been credited. At the time of this report, credit for the first check had not yet been received.

Presbyterial Treasurer Darryl Shepard presented the Board with the Presbytery's Account Balances through the 2nd Quarter of 2026, which is included with the Report of the Board of Finance. The Board noted that the financial health of the Presbytery is very good.

The financial records for the Presbytery for 2023 and 2024 are currently being reviewed by Parsons & Wright, CPA's, located in Kingston. At the time of this report, the review is scheduled to be completed by September 30th.

Board Chairman Stacy Bolton informed the Board of Finance of discussions with Board of Missions Chairman Casey Nicholson concerning the Board of Missions request of establishing a Missions and Outreach Fund. The request is for making $10,000 available for 2027. Please see the Board of Missions report to Presbytery for the details of this fund. Additionally, the Board of Missions is also requesting that $5,000 be made available for an emergency frnd through which the Presbytery can provide immediate assistance to congregations or church members who are affected by floods, fires, and other natural disasters. After discussing the funding of these two items, the Board of Finance decided to not include the ftnding in the 2027 budget but to make the funds available through the Presbytery's Operating and or Reserve Accounts. The Board of Finance asks that any such request for dispensing funds for these two items be accompanied by proper documentation and a formal request in writing by the Chairman of the Board of Missions. Any amounts dispensed in 2027 will be included in the Report of the Board of Finance to the Presbytery at its Spring 2028 meeting.

The Board discussed the Recommendation by the Board of Missions that was approved at the April 1 st, 2023 meeting of Presbytery that transfers the previous year's interest of the Presbytery's New Church Developmental Fund to the Denominational New Church Developmental Fund. With the current Board of Missions request to establish a Missions and Outreach Fund as well as an Emergency Fund along with the increasing insurance premium for the Camps, the Board makes the following Recommendation.

Recommendation 1: To amend the Recommendation by the Board of Missions approved at the April 1st,
2023 meeting of Presbytery to read "beginning in 2027, 50% of the interest earned in the previous year's New Church Developmental Fund be given to the Denominational New Church Developmental Fund and the remaining 50% to be transferred to the Presbytery's Operating and Reserves Accounts. "

Report of the Probationer Care Committee

To the Presbytery of East Tennessee meeting with Marietta Cumberland Presbyterian Church
Knoxville, Tennessee
October 3, 2026

I. Changes followinq the closure of Memphis Theoloqical Seminary

Following the closure of Memphis Theological Seminary, funds contributed by Cumberland Presbyterians designated specifically for the theological education of Cumberland Presbyterian ministers were retained by the Cumberland Presbyterian Church so that the church may continue to honor the spirit in which those gifts were given and support future ministerial formation. From those funds, scholarships and grants are being made available to Cumberland Presbyterian students pursuing a theological education at an approved seminary. The committee has urged all of our seminary students to apply for the scholarships and grants.

IV. Elders Trained to Administer Communion—For those churches being served by lay persons of non-CP ordained ministers, an active ordained elder can receive presbytery approval to oversee the service of the Lord's Supper. Those wishing to be approved must contact the Probationer Care Committee to receive the necessary training and get their request for approval included in the report to presbytery. Elders who have completed the training in the past are not required to be re-trained, but trained elders must have their church session request presbyterial approval to administer communion each year. Only currently serving elders may be approved. The committee has received a request from the session of Cedar Hill CPC that active elders Terry Cannon and Cheryl Fillers be approved to serve as communion celebrants following the retirement of Rev. Kevin Wood. Both elders were trained and approved in 2025.

Recommendation III: That Elders Terry Cannon and Cheryl Fillers be approved to oversee the service of the Lord's Supper at Cedar Hill Cumberland Presbyterian Church for a period of one year.

Report of
The Committee on the Ministry For Clergy Care
To the Presbytery of East Tennessee meeting with Marietta Cumberland Presbyterian Church
Knoxville, Tennessee
October 3, 2026

The purpose of the Clergy Care Committee is to support and encourage ordained clergy in their ministry. We continue to make efforts to contact ministers of the presbytery, to provide information about resources available, and to recognize clergy in milestones of their ministry. Since the April 2026 meeting of presbytery, the committee has presented Legacy of Ministry recognitions to Rev. Gary Hartman and Rev. Jerry Scott upon their retirement, in grateful acknowledgement of their years of service to the glory of God in the Cumberland Presbyterian Church.

We wish to draw particular attention to the many resources available to ministers through the denomination's Pastoral Development Ministry Team (PDMT). We encourage individuals to take advantage of the opportunities provided.

Recommendation: That each member of presbytery read through the Resources section of this report in its entirety.

A. **Continuing Education**–The General Assembly requires ministers to complete six units of continuing education every three years. One CEU credit is earned for every approved 10 hours of instruction/study. Reported CEUs are recorded in presbytery minutes. The PDMT provides many resources, including periodic seminars, workshops and training that may be used as continuing education opportunities. Other options include book studies, quarterly gatherings via Zoom sponsored by PDMT, online webinars, ENGAGE sessions, and Cumberland Reflections (available via the following link) cpcmc.org/cumberland-reflection/

   Ministers are responsible for providing information regarding CEUs they have earned. For information, or to find the form for reporting earned CEUs, go to: cpcmc.org/pdmt-continuing-education . Forms for reporting CEUs are also available at meetings of presbytery.

B. **Employee Assistance Program**–Carelon Wellbeing is the provider for this voluntary program which offers free and confidential assessments, short-term counseling, and referral services to ministers and their family members living in the same household who have personal and/or ministry-related problems. A broad and complex body of issues affecting mental and emotional well-being can be addressed. For information about the Employee Assistance program, go to cpcmc.org/eap

C. **Mental Health Endowment**–At present, presbyteries cover half the cost of the Employee Assistance Program (EAP) by paying a per-minister premium; the PDMT covers the other half of the cost. The Minister Mental Health Endowment Fund was

established to ensure that every Cumberland Presbyterian minister and probationer has permanent access to confidential, professional mental health support, regardless of their presbytery's ability to pay. When the endowment reaches the goal of $250,000, the program will be funded from the interest on the endowment. The Clergy Care budget includes $1000 earmarked for the Employee Assistance Program annually through 2028.

D. Student Loan Assistance–The PDMT provides ministers free student loan debt expertise through **PeopleJoy**, a financial service firm that has helped hundreds of borrowers receive loan forgiveness in federal loans. To learn more, go to cpcmc.org/pdmt/pdmt-studentloan .

E. From Call to Care-PDMT has introduced a mentoring program for newly ordained ministers. The year-long mentoring experience is designed to support those ordained two years or less as they move from theological formation into the lived realities of congregational ministry. The program includes online mentoring sessions led by PDMT elected team members and invited leaders. The sessions include presentations, video, dialogue, and time for questions and answers, with emphasis on practical skills and pastoral formation. Visit cpcmc.org/from-call-to-care for more information.

F. Initiative 5.29–Look for packets of information available at presbytery regarding this new initiative, developed in response to that portion of the ***Confession of Faith*** that addresses the church in mission, *CoF 5.29: Growth is natural to the church's life. The church is called into being and exists to reach out to those who have not experienced God's grace in Christ, and to nourish them with all the means of grace."* Ministers will participate in online cohort groups leading up to the conference to be held in Huntsville, AL, in May 2027.

G. **Six Days 'til Sunday**–We urge all ministers to sign up for the weekly e-newsletter, ***Six Days 'til Sunday,*** which gives user-friendly resources for planning, preparing, and preaching with passion and purpose so that the Good News of Jesus Christ can reach diverse audiences in life-changing ways. To sign up for the newsletter, which is provided through the Louisa Woosley Preaching Initiative, go to cpcmc.org/pdmt/ and click on resources.

When you have completed reading this report, contact Gwen Roddye **prior to October 3, 2026**, to be entered into a drawing for one of two $25.00 gift cards. gwenroddye@frontiernet.net
The drawing will be held at the meeting of presbytery and you must be present to receive the card.

Respectfully submitted,
The Committee for Clergy Care

Sympathy and Condolences

Our sincere condolences are extended to the family of Artie Wehenkel and to the congregation and church family of Shiloh Church during this time of loss.

RECOMMENDATIONS:

Concerning Christian Education/Heritage Board

WHEREAS, the current nine-member structure has made it difficult to consistently achieve a quorum and conduct necessary business;

WHEREAS, the focus and responsibilities of the Board are changing as the needs of the Presbytery, churches, and its ministries evolve;

WHEREAS, the members currently participating have demonstrated great passion, energy, and momentum toward rebuilding and strengthening Christian Education ministries;

WHEREAS, a smaller board would allow those actively engaged to work more effectively together while providing an opportunity to build upon the current momentum;

Your committee makes the following recommendations:

Recommendation one:

That the Christian Education Board be reduced from nine (9) members to five (5) members for a period not to exceed three (3) years. That at the conclusion of the three-year period, the composition and size of the Christian Education Board be reevaluated

Concerning Clergy Delegate Selection for Synod and General Assembly
Whereas, the selection of clergy delegates to Synod and General Assembly should be conducted in a manner that is fair, transparent, predictable, and inclusive of the full body of eligible clergy; and
Whereas, an alphabetical rotation provides an objective and easily understood method for determining delegate eligibility while avoiding preferential or subjective selection; and
Whereas, clergy who have recently joined the body should have an opportunity to become established members before being added to the delegate rotation;
Therefore, be it resolved, that the process for selecting clergy delegates to Synod and General Assembly be revised to use an alphabetical rotation of eligible clergy. That the name of a newly received member of the body be added to the alphabetical delegate rotation after one full year of membership in the body. Be it further resolved that once added to the rotation, clergy shall remain in the alphabetical order and be considered for delegate service according to that established rotation, subject to the applicable requirements and responsibilities for serving as a delegate.
Be it further resolved that the alphabetical list be maintained and made available to the body so that the process for determining clergy delegates is clear and transparent to all members.
Recommendation Two: Clergy Delegates
That the process for selecting clergy delegates to Synod and General Assembly be changed to an alphabetical rotation of eligible clergy's last name, with newly received clergy added to the rotation after one year of membership. Synod delegates to begin at 'A' and General Assembly to begin at 'M' (halfway through).
Concerning Elder Delegate Selection for Synod and General Assembly
Whereas, representation at Synod and General Assembly should reflect the broad participation and diversity of the churches within the body; and
Whereas, opportunities to serve as an elder delegate should be available to any church that is willing and able to provide a qualified delegate; and
Whereas, allowing the same church to provide an elder delegate in consecutive years may limit opportunities for participation by other churches;
Therefore, be it resolved, that the selection of elder delegates to Synod and General Assembly be open to any church within the body that is eligible and willing to provide a qualified elder delegate.
Be it further resolved that no one church shall provide an elder delegate in consecutive years, except in the event that no other eligible church is willing or able to provide a delegate.
Be it further resolved that churches that have not previously provided an elder delegate, or that have not provided one in the most recent year, shall be given priority in the selection process in order to encourage broad and equitable participation among the churches of the body.
Be it further resolved that the process for soliciting and selecting elder delegates be communicated to all churches in advance of the applicable meeting so that each church has a fair opportunity to participate.
Recommendation Three: Elder Delegates
That elder delegates to Synod and General Assembly be open to any eligible church, with no church permitted to provide an elder delegate in consecutive years, so that opportunities for representation may be shared among the churches with all churches receiving a nomination form at the beginning of July to be turned into the nominating committee by the beginning of August.

Report of the Coordinating Committee

The Coordinating Committee met on September 4, 2026, at 6:00 p.m. at Talbott Cumberland Presbyterian Church.

Members present were Rev. Tammy Greene, Rev. Abby Cole Keller, Elder Stacy Bolton, Elder Pete Carter, and Rev. Mark Hester, State Clerk. Rev. Vernon Sansom was also in attendance.

Rev. Mark Hester opened the meeting with prayer.

Reports Reviewed

The Committee reviewed reports submitted by the following Boards and Committees:

1 . Board of Christian Education/Heritage
2. Board of Finance
3. Board of Missions
4. Committee on the Ministry for Probationer Care
5. Committee on Nominations
6. Camp Chilhowee Board
7. Camp John Speer Board

Proposed Amendment to the Standing Rules

The Committee reviewed the Wilkinson/Lyle proposed amendment to the Standing Rules, along with all related documents. Following extensive discussion, the Committee unanimously determined that the proposed amendment is not appropriately placed within the Standing Rules.

The Committee noted that the Standing Rules are administrative and procedural in nature. The Manual of Operations provides that the Presbytery shall maintain Standing Rules in order to "assure that all things are done 'decently and in order.'"

The Committee therefore felt that the substance of the proposed amendment would be more appropriately addressed through a Digest or similar document. Discussion was held regarding the need for such a document and the appropriate process for its development.

Communication Regarding Apportionments

The Committee also reviewed additional communication. Discussions and clarification were given regarding the process for communication between the Board of Finance and the Board of Missions when an irregularity in the payment of apportionments is identified.

The Committee expressed its appreciation for the faithful work and service of all Boards and Committees of the Presbytery.

There being no further business, Elder Pete Carter closed the meeting with prayer.
